

Junior VB.Net / SQL Server Developer

Retail-based Software Development firm seeking candidate for entry level developer position. Candidates should have classroom and/or on-the-job experience with Microsoft family of development languages (VB.Net, SQL Server, etc....)

Retail Backbone (www.retailbackbone.com) is a web application designed to integrate eCommerce and brick/mortar operations for online retailers such as Moosejaw Mountaineering (www.moosejaw.com). We are looking for a reliable and enthusiastic developer to train and evolve within our casual work-from-home team. Candidate will work directly with experienced software developers on real-world projects to get invaluable on the job experience.

WORK FROM ANYWHERE: Our existing team of developers are spread out throughout the country, and all development meetings are conducted via web conference, so location is not an issue - you can work from home, a coffee shop, or on the beach. If you have a laptop, reliable internet connection and the talent - we are interested.

In this position, you will be responsible for full life-cycle development in a fast-paced environment, implementing solutions in Microsoft SQL Server 2014, Enterprise Edition and VB.Net. Working under the direct supervision of a seasoned software developer, junior developer will be assigned project work for our existing clients and for product development initiatives.

Technical Skills:

- Classroom and/or on-the-job experience in the Microsoft suite of development platforms.
- Documentation skills for processes and procedures (creating knowledge base articles, etc).
- Capable of managing responsibilities independently.
- Excellent time management and organizational skills.
- Must be accountable, organized, innovative and motivated; job requires detailed logging of all project work for billing and knowledge base.
- Excellent oral and written communication and interpersonal skills.

Salary range: \$40K-\$50K. In addition to our generous starting salary, we also offer flexible scheduling, telecommunication reimbursement, and paid time-off.

For more information, please submit resume to Jason Page: jpage@retailbackbone.com.
